Additional Notes

Attendance policy:

- . . . ☐ The philosophy of the course coordinator is that attendance at all lectures and laboratories is necessary to attain and integrate the knowledge and clinical skills being presented in this course.
- ☐ Attendance is mandatory. Students are expected to attend more than 90% of lectures
- ☐ The course coordinator reserves the right to exclude students from the course who miss more than 10% of course lectures or labs.
- ☐ It is the responsibility of the student to notify the course director if a lecture or lab will be missed, and to arrange to have the missed material remediated.
- ☐ All absences will be entered electronically into the University site

Expected workload:

- . Students are expected to take every effort to ensure satisfactory learning of the material given.
